

Zach Wilson

Computer Science Major with broad background in financial sales and consultation.

Oswego, NY

zachjwilson1@gmail.com

+1 585 519 8701

I am majoring in Computer Science (graduation Fall 2022) and continue to broaden my knowledge on different projects. I have primarily worked with Java but also have experience working on front-end development and would be interested in full-stack development as well. I am very flexible and a self-starter/quick-learner.

A summer internship/Co-op that can further any of my skills is my primary objective.

CORE STRENGTHS:

- Excellent Communication Skills
- Proficient in Java
- Knowledgeable in C, Python, HTML, CSS, JavaScript, GitHub, SQL, and several others.
- I am currently working on a project using React as I would like to focus on front end development.
- I am able to quickly self-teach new languages and techs.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Financial Consultant

Strategic Financial Solutions - Williamsville, NY

August 2019 to June 2020

Worked one on one with clients in order to assess their needs and goals financially. Handled appointments, paperwork, and financials with 30+ clients each month.

Account Manager

Windham Professionals - Elma, NY

December 2017 to July 2018

Work towards a month to month target, in a competitive environment to maximize my communication and time management skills. Excelled in a variety of different areas with the ability to learn quickly and become well versed in whatever task I am faced with.

Debt Counselor

Coast Professional Inc - Geneseo, NY

December 2013 to June 2017

Gained skillful knowledge in several departments, providing consumer care in a variety of ways.

Used innovative techniques to maximize my performance and make consumers more comfortable through every process.

Reliable among my peers and supervisors to over-achieve targets and provide assistance where needed.

Education

Bachelor's degree in Computer Science

SUNY Oswego - Oswego, NY

August 2021 to December 2022

Associate's degree in Computer Science

Jamestown Community College - Jamestown, NY

January 2019 to December 2020
